Foreign references DE 297 01 758 U1 and FR 2 678 508 were previously cited on a Form 1449A/PTO submitted in parent application Serial No. 09/326,445. However, a complete translation of the documents was not provided. A translation of each of these documents is submitted herewith.

No representation is made or intended that more relevant information does not exist or that the order of presentation of the references in any way reflects their relative pertinence. Additionally, submission of references herewith in no way constitutes an admission by Applicants that the submitted references constitute prior art to the above-captioned application.

Applicants respectfully request that each of the cited references be expressly considered during the prosecution of this application and that the cited references be made of record therein and appear among the "References Cited" on any patent to issue therefrom.

This IDS is being submitted after the mailing of a first Office Action on the merits and more than three months from the filing of the application, but before the issuance of an action that closes prosecution on the merits (37 C.F.R. § 1.17(p)). The Commissioner is hereby authorized to charge the fees under 37 C.F.R. § 1.17(p) that are required regarding this application under 37 C.F.R. §§ 1.16-1.17, to Deposit Account No. 50-2228

Respectfully submitted,
